After having analysis of the Academic Audit report presentations, verifications of documents and actual visits , we submit our observations as Under:

1. Curricular Aspects :

- All the programs of the college are permitted by the University and Government.
- College has a wide range of programs for UG and PG that provide adequate Academic Flexibility.
- The college teaches curriculum provided by the University.
- All the programs of the college are consistent with its goals and Objectives.
- College has started and continued new UG and PG courses during the assessment period.

2. Teaching Learning and Evaluation:

- There are adequate number of teachers in the college and new faculties have been appointed as per norms.
- Temporary / Ad hoc appointments have been made for teaching purposes.
- Teachers attended International, National and State level Seminars, Workshops, and Conferences to update their subject knowledge.
- ICT enabled Teaching Learning is promoted.
- Project work and Experimental teaching are part of syllabus.
- Educational excursions are arranged.
- Semester-wise teaching plans are prepared and followed.
- Evaluation process is communicated early through prospectus.
- Progress of the students is monitored through one to one interaction.

3. Research, Consultancy and Extension:

- Teachers attended International, National and State level Seminars, Workshops, and Conferences to update their subject knowledge.
- Teaching faculty has published papers in International, National journals.
- Books have been edited and Published by the faculty.
- Extension activities are conducted mainly through NSS and DLLE.
- Three Minor research projects have been completed.
- Teacher are contributing to study material prepared by IDOL of Mumbai University.
- International Conference by Department of Political Science organized successfully.
- Teaching faculty has attended Orientation and Refresher Courses.
- Dr. S. M. Patil and Dr. S.M. Wagh are recognized Ph.D. guides of Mumbai University in the subject of Economics and Political Science respectively.

4. Infrastructure and Learning Resources: -

- College has adequate and well maintained infrastructure facilities.
- College has mechanism for the maintenance of infrastructure and other facilities.

- There are CCTV cameras at appropriate places which help to maintain the infrastructure and learning resources.
- Computer Labs are well maintained and provided with Internet Connectivity.
- UGC Resource center provides Internet Facility to students.

5. Student Support and Progression:-

- ERP in place.
- Wi-Fi facility is provided.
- Well maintained campus with good library and water facilities.
- College provides many facilities for sports and cultural facilities.
- Support services are maintained.
- Government Scholarships are provided to all eligible students.
- Fee concession is also provided to the students of IT and Computer Science.
- Activities of the Associations are effectively arranged for all round development of the students.
- Students have participated in Curricular , extra-curricular And Co-curricular activities of the college and University.

6. Governance, Leadership and Management :

- The JSM Management and the principal provide excellent leadership to the Institute.
- Transparency in all the activities is maintained.
- There are committees for effective functioning of college such as RTI committee, Grievance Redressal committee etc.
- Students have been involved in Decision making through Students' Council.
- Frequent Interaction with Stakeholders.

7. Innovations and Best Practices :-

- Almost all the programs are anchored by the students.
- College shows sensitivity towards new educational, social and market trends.
- Value based education is provided through various programs and subjects like Foundation Course and NSS activities.
- Well maintained campus with greenery and Lawns.

RECOMMENDATIONS –

- ✓ **Student mentoring system need to be implemented.**
- ✓ **Skill based, Certificate and diploma programs need to be started.**
- ✓ **Research activity with funding from UGC and University needs to be encouraged.**
- ✓ **Alumni Association activities need to be strengthened.**
- ✓ **Examination results need to be improved.**
- ✓ **Collaboration with Companies and Campus interviews need to be implemented.**
- ✓ **Zoology laboratory needs to be improved.**
