

Perspective Plans:

Perspective plan and its implementation is ensured through continuous follow up of decisions and their execution. The college perspective plan includes the fulfillment of Recommendations of Second Cycle NAAC Peer Team during last eight years. JSM Management, College Governing Council, College Development Committee and IQAC continuously strive to fulfill the Perspective Plan and work accordingly. Almost all the Recommendations of Peer Team have been fulfilled.

1) Quality Education: The college tries to provide quality education through following time-to-time guidelines laid down by the University, Government and UGC. Teaching learning and Evaluation is properly monitored and efforts have been made to keep quality in every activity. Quality is ensured through time-to-time recruitment, implementation of decisions taken by various bodies.

2) Need Based Programs: Providing need-based and skill oriented courses /programs is our main objective. The college has started B.M.S., M.Sc., and M.Com. M.A. courses to equip and prepare students for future prospects.

3) Scholarships: The college students belong to the village and hilly area and these poor students do not afford expensive education. Hence the college tries to provide various Govt. and Non-Govt. scholarships to the students. The college also offers fee-concession to the students.

4) IT-Based Teaching and courses: The College provides IT based courses/programs such as B.Sc. Computer and B.Sc. IT. There are also courses which include IT/Computer learning for the students of Commerce and BMS. The college also plans to strengthen more ICT based Teaching and Learning

5) Research Promotion: To establish Research Centre to do Ph.D. and to encourage students for various research based projects.

6) Facilities and Infrastructure: To improve and upgrade facilities and infrastructure for quality education and campus atmosphere.

7) Incubation Centre: College plans to start Incubation centre to provide skilled personnel to the companies. JSM Management is trying to establish skill development centre in campus.

8) RUSA Grants: College has a plan to avail RUSA Grants after the completion of NAAC Third cycle.
